Manage events	6	8623-421	Prioritising information for sales planning	3	8623-425

Before you apply.

You might find the following information helpful before making your application.

Delivery Methods

You will be allocated a qualified and competent Assessor who will visit you in the workplace on a monthly basis to conduct observations of your work and set you tasks to complete. Assessor visits last approximately 2 hours per session.

Learners may also be required to attend workshops to cover some of the knowledge units within their qualification but these will be planned in advance.

Recognition of Prior Learning (RPL)

If you have previously completed any work-based qualifications or units, any relevant work (evidenced by copies of certificates) can be mapped across to this qualification to avoid duplication of work. Your allocated Assessor will go through RPL with you in more depth during your induction.

E-Portfolio

To help you manage your course we use an online portfolio system called Smart Assessor which allows you to log on and see how you are progressing. Smart Assessor also allows you to upload evidence and interact with your Assessor in-between visits. You can access Smart Assessor at any time and submit queries, questions or even work for your Assessor to review.

Essential Skills

Welsh Government is committed to raising the levels of Essential Skills across Wales. Therefore, Communication, Digital Literacy and Application of Number qualifications are an integral element to the funded Apprenticeship frameworks. These are usually delivered via workshops at one of Educ8's centres and will be planned well in advance.

**N.B If you have completed Essential Skills previously or are able to provide other suitable proxies, you may be exempt from completing these qualifications.*

Our Managers have been undergoing an ILM Level 4 programme with Educ8 for the past few months and feedback has been great. The Tutor is great fun whilst providing lots of food for thought for the guys. Very impressed so far - thanks!

Gareth Williams - Commercial Manager at Nuaire Ltd.
