

ILM Level 5 Management

Aimed at middle managers responsible for substantial programmes and resources, our qualification develops skills in strategic planning, change and business process design. Learn core leadership and management skills, how to inspire colleagues and deliver results.

Benefits for the individuals

- Develop your essential leadership skills
- Learn how to manage strategic change
- Develop skills in business processes to improve your organisation's effectiveness
- Achieve a recognised qualification
- Access to a wealth of resources through Moodle - our online learning platform
- Receive a minimum of 12 months membership to the Institute of Leadership & Management

Benefits for the employers

- Develop proactive middle managers comfortable with change
- Range of optional units to tailor the qualification to your business needs
- Promote a culture of learning and development
- Strong focus on workplace performance, to deliver well-rounded managers

What you will study

You will study four mandatory units in this qualification. Two units build skills in strategy - strategic planning and strategic change. The third unit looks at developing and evaluating business processes. The fourth unit develops further core skills in leadership and management. We will work with you and your employer to identify the best optional units for your role and the business.

INVESTORS IN PEOPLE™
We invest in people Platinum

Essential Skills

Welsh Government is committed to raising the levels of Essential Skills across Wales. Communication and Application of Number qualifications are an integral element to the funded apprenticeship frameworks.

We offer a blended learning approach delivered remotely, face-to-face and using our online learner Moodle. You will be assessed via a 4 – 6 hour task and a 45 minute test for both Communication and Application of Number. Tests will be held in-person at our test centre.

If you have completed Essential Skills previously or are able to provide suitable evidence, such as GCSE certificates or similar, you may be exempt from completing this element of the qualification.

Essential Skills	
Learners will need to complete:	
Application of Number	Level 2
Digital Literacy	Level 2
Communication	Level 2

Qualification Overview

To achieve the Level 5 Management qualification, learners must compete:

- Two hour induction
- Essential Skills in Application of Number, Communication and Digital Literacy at Level 2
- NVQ Level 5 In Management (total of 53 credits)
- VRQ Level 5 in The Principles of Leadership and Management (total of 37 credits, 18 of which will be from optional units which you can discuss with your Trainer Coach).
- The qualification will take 18 months to complete
