

Level 3 Business Administration

Our qualification will equip you with a broad range of administrative skills such as information management, event co-ordination, systems analysis and project management. It is aimed at learners who work in roles with a degree of autonomy, and want to further improve their administrative and supervisory skills.

Benefits for the learner

- On the job learning to help you develop your skills
- More responsibility with the specific units to gain experience of office management
- Quality teaching by trainer coaches with industry links
- Achieve a nationally recognised qualification
- Access a wealth of resources through Moodle - our online learning platform

Benefits for the employer

- Increased productivity in business performance
- Optional units to tailor the qualification to your business needs
- Promote a culture of learning and development
- A strong focus on workplace performance
- Help with recruiting new staff to fill vacancies

INVESTORS IN PEOPLE®
We invest in people Standard

Essential Skills

Welsh Government is committed to raising the levels of Essential Skills across Wales. Communication and Application of Number qualifications are an integral element to the funded apprenticeship frameworks.

We offer a blended learning approach delivered remotely, face-to-face and using our online learner Moodle. You will be assessed via a 4 – 6 hour task and a 45 minute test for both Communication and Application of Number. Tests will be held in-person at our test centre.

If you have completed Essential Skills previously or are able to provide suitable evidence, such as GCSE certificates or similar, you may be exempt from completing this element of the qualification.

Essential Skills	
Learners will need to complete:	
Application of Number	Level 2
Digital Literacy	Level 2
Communication	Level 2
